Food & Cuisine:

Ivorian cuisine features staples like cassava, plantains, and rice, with popular dishes including attiéké (fermented cassava couscous) and kedjenou (slow-cooked chicken stew).

Brief History:

Côte d'Ivoire was a French colony until gaining independence in 1960. It experienced economic growth under Félix Houphouët-Boigny but faced political instability and civil conflict in the early 2000s. The country has since been working towards reconciliation and development.

Important People:

- Félix Houphouët-Boigny - First President and founding father
- Alassane Ouattara - Current President
- Henri Konan Bédié - Former President

Current Conflicts:

The country has largely stabilized after past civil conflicts, but occasional political tensions and disputes over elections persist.
