- {'name': 'Chamorro Month', 'writeup': 'Observed in March, this month celebrates Chamorro culture through festivals, dances, and traditional crafts.'}

Food & Cuisine:

Guam's cuisine is a blend of indigenous Chamorro flavors with influences from Spanish, Filipino, and American cooking, featuring dishes like red rice, kelaguen, and barbequed meats.

Brief History:

Guam was first settled by the Chamorro people over 4,000 years ago. It was colonized by Spain in the 17th century, ceded to the United States after the Spanish-American War in 1898, occupied by Japan during World War II, and liberated in 1944. It remains an unincorporated U.S. territory.

Important People:

- Carlos Camacho - First elected Governor of Guam
- Madeleine Bordallo - Former Delegate to the U.S. House of Representatives
- Ben Pangelinan - Prominent Guamanian politician and businessman

Current Conflicts:

Guam faces strategic military tensions due to its location in the Pacific, particularly concerning North Korean missile threats and regional security dynamics.
