

# Canada

**Continent:** North America

**Languages Spoken:** English, French

**Population:** 39,000,000

**Currency:** Canadian Dollar (CAD)

**Area:** 9,984,670

## Main Landmarks:

- CN Tower
- Niagara Falls
- Banff National Park
- Parliament Hill
- Old Quebec

## Head of State / Government:

King Charles III (represented by Governor General Mary Simon)

## Main Cultural Events:

- Canada Day
- Calgary Stampede
- Toronto International Film Festival
- Winterlude
- Pow Wows

## Food & Cuisine:

Canadian cuisine reflects its multicultural population and regional diversity, featuring dishes like poutine, butter tarts, maple syrup, and seafood from coastal regions.

## Brief History:

Canada was originally inhabited by Indigenous peoples before European colonization began in the 16th century. It became a self-governing dominion in 1867 and has since developed into a multicultural and bilingual nation.

## Important People:

- Terry Fox (athlete and cancer research activist)
- Margaret Atwood (author)
- Wayne Gretzky (hockey player)
- Lester B. Pearson (former Prime Minister and Nobel Peace Prize laureate)
- Celine Dion (singer)

**Current Conflicts:**

Canada is generally peaceful with no active internal conflicts; it participates in international peacekeeping and addresses Indigenous reconciliation issues domestically.
