Food & Cuisine:

Cambodian cuisine features a balance of sweet, sour, salty, and bitter flavors, with staples like rice, freshwater fish, and herbs. Popular dishes include Amok (steamed fish curry) and Kuy Teav (noodle soup).

Brief History:

Cambodia has a rich history dating back to the Khmer Empire (9th-15th centuries), known for its architectural achievements. It experienced French colonial rule from the 19th century until 1953. The country suffered under the Khmer Rouge regime (1975-1979), which caused massive loss of life. Cambodia has since been rebuilding and developing as a constitutional monarchy.

Important People:

- Norodom Sihanouk - Former King and influential political figure
- Pol Pot - Leader of the Khmer Rouge

- Hun Sen - Long-serving Prime Minister
- Norodom Sihanouk - Current King
- Loung Ung - Human rights activist and author

Current Conflicts:

Cambodia currently experiences no active armed conflicts but faces political tensions related to governance, human rights, and land disputes.
